TCCES Announces New Board Members

NEENAH: Twin City Catholic Educational System (TCCES) is proud to announce that Mrs. Sue Pawlowski and Mr. John Fuller have joined the TCCES Board of Education. They will replace Ms. Laura Guy and Mr. Mark Loper, two exceptionally dedicated Board members who have contributed much to the TCCES community.

Mrs. Sue Pawlowski is a proud alumnus of St. Mary Elementary School and St. Mary Central High School (SMC) and the parent of an alumnus of St. Mary Elementary, Seton Catholic Middle School and St. Mary Central High School. For several years, she has been an active parent volunteering at TCCES schools and events. Pawlowski will share her expertise in development, customer service and marketing with the TCCES Board and as a member of the Advancement Committee. She is currently employed by the YMCA of the Fox Cities as the Community Relations Director.

“I am extremely excited to join the TCCES board. I feel I can have a fresh outlook on things especially now that my child has graduated from the TCCES schools. My hope is that I can contribute to TCCES’ delivery of excellence in education to our communities,” stated Pawlowski.

Mr. John Fuller is an alumnus of St. Mary Central High School and the University of Notre Dame as well as the parent of an SMC student. He is an active parent at SMC and has many years of experience serving on Catholic school boards in Florida as well as serving as President of the Diocese of Orlando Board of Education. Fuller will share his experience as a strategic planner and in business operations with the TCCES Board of Education. He is currently employed at Affinity Health System and UW Health as Director of Cancer Programs.

“It is wonderful to have the opportunity to give back to my alma mater and work to secure a strong future for Catholic education in the Fox Cities. I am joining a strong board that is committed to quality academics in a faith-filled environment,” stated Fuller.

“TCCES and our students are very blessed to have two wonderful community leaders joining our board. John and Sue will be outstanding additions to our Board,” stated Michael Sullivan, TCCES President.

Twin City Catholic Educational System (TCCES) - which includes St. Gabriel, St. Margaret Mary and St. Mary Elementary Schools, Seton Catholic Middle School and St. Mary Central High School - strives to provide the highest quality education in a faith-filled environment for children in preschool through high school.
