### **TCCES Presents “Celebration of the Arts” on April 6 at the Fox Cities PAC**

Fox Cities: In its sixth year the TCCES “Celebration of the Arts” features students musicians and singers from the elementary, middle and high school levels along with a wide range of visual art created by students from the five TCCES schools – St. Gabriel, St. Margaret Mary and St. Mary Elementary Schools, Seton Catholic Middle School and St. Mary Central High School. This event is open to public and free.

The evening will feature performances by the Seton Catholic Middle School and St. Mary Central High Schools bands and jazz bands and the elementary band from St. Gabriel, St. Margaret Mary and St. Mary Elementary Schools. SMC and Seton’s Show Choirs will also perform along with the elementary schools’ choirs.

Every year TCCES presents this fine arts program at the Fox Cities Performing Arts Center. Attendance has grown significantly over the past several years and the community is encouraged to attend and witness this showcase of young talent.

Mike Sullivan, TCCES President is excited to offer the students and community an evening of entertainment. “This is a wonderful opportunity for our students to showcase their talents and at the same time provide the community with a great show. It is also a chance for TCCES to acknowledge all the generous support we receive from the community and our donors by inviting them to an evening at the Performing Arts Center.”

Celebration of the Arts is on Wednesday, April 6 at the Fox Cities Performing Arts Center. The event will begin at 5:30 with a reception and visual arts display in the lobby. The band and choir performance is from 6:30-8:00 p.m. The event is open to the public and admission is free. Bergstrom Automotive sponsors this event.

The Twin City Catholic Educational System, which includes St. Gabriel, St. Margaret Mary and St. Mary Elementary Schools, Seton Catholic Middle School and St. Mary Central High School, strives to provide the highest quality education in a faith-filled environment for children in preschool through high school.
