### **TCCES Music Teacher, Rhex Arboleda has Song Released on Album**

**NEENAH:** The TCCES elementary music teacher, Rhex Arboleda, is very excited and humbled at the same time to have his composition titled “Song of Moses” included on Quickstar Production’s “Unified by Grace” Midwest Rock Volume 3.

Arboleda, the TCCES elementary music teacher, credits the Lord for guiding him on every step during the song composing process. He came up with the idea for the song while working with students at a vacation bible school. Arboleda states, “There was a verse during prayer time that stuck in my head and I felt the Spirit leading me to the words.” While completing his thesis for his Master’s Degree, Arboleda was inspired to finish the song before it went out of his head. He finished the music in about two to three hours and then recorded the song with the guitar and drums.

Arboleda then added the recording to his myspace account, where Quickstar Productions soon discovered it. The song is included on their recent “Unified by Grace” project. Quickstar Productions is a mission-based organization, which is one of the reasons Arboleda was excited about the opportunity to partner with them.

Since finishing “Song of Moses,” Arboleda has been working on three more songs, which will complete an album. He is looking for a company to produce the rest of his work. One of the new compositions, “One Nation,” was inspired by the first graders at St. Margaret Mary School in Neenah.

Arboleda prefers a more upbeat melody that his students can relate to, rather than music modeled after more traditional hymns. During computer time, he sometimes plays his songs and asks the students for their feedback. Arboleda says that his students are his best and most effective critics. .

His music can be heard on iTunes under “Quickstar Productions Presents: Unified by Grace, Midwest Rock Volume 3” or at [www.myspace.com/rhex4Christ](http://www.myspace.com/rhex4Christ).
