### **TCCES Announces New Board Members**

**NEENAH:** Twin City Catholic Educational System (TCCES) is proud to announce that Mr. Steward Koskinen and Mrs. Meg Brew have joined the TCCES Board of Education.

Steward Koskinen is a proud graduate of St. Mary Central High School's (SMC) Class of 2001. He is an active volunteer at TCCES, most recently serving on a steering committee that evaluated fundraising needs and efforts. Koskinen will share his expertise in finance and business with the TCCES Board and as a member of the Development Committee. He is currently employed by The Benefits Companies as an employee benefits consultant.

"I am very excited about the opportunity to give back to my alma mater. I am a very strong believer in Catholic education and I am proud to help secure a strong future for Catholic education in the Fox Cities. St. Mary Central and TCCES have had, and still have, a tremendous impact on my life, and I want to help future students enjoy the same great experiences," stated Koskinen

Meg Brew and her husband are the parents of two St. Mary Central High School students, and she has been very active in the TCCES community. She is a dedicated SMC volunteer and has many years of experience volunteering at Holy Spirit School in Darboy, as well. In addition to helping out at her sons' schools, Brew is employed by StaffLogix as a part-time lab technician for Kimberly Clark.

"This is such an exciting time for SMC and TCCES! Enrollment is growing and programs are thriving. We are blessed with such wonderful schools here in the valley, but SMC offers a bit more: a faith-filled environment paired with challenging academics and dynamic extra-curriculars. My hope is that I can contribute to TCCES' delivery of excellence in education to our communities," stated Brew.

"TCCES and our students are very blessed to have two wonderful community leaders joining our leadership. Meg and Steward will be outstanding additions to our board. It is a very exciting time for our system, and this very capable group of board members will focus on the future and providing the needed resources to continue the growth of our schools," stated Michael Sullivan, TCCES president.

Twin City Catholic Educational System (TCCES)--which includes St. Gabriel, St. Margaret Mary and St. Mary Elementary Schools, Seton Catholic Middle School and St. Mary Central High School -- strives to provide the highest quality education in a faith-filled environment for children in preschool through high school.
