

St. Mary/St. John Faith Formation - Menasha

"Heart-to-Heart Parent Night"

'Parenting Teens With Love and Logic'

**Wednesday, November 17 @ 6:05 PM
in St. John's Cafeteria.**

Please use the 6th Street Faith Formation entrance or the 5th Street Gym door to enter St. John's cafeteria.

Our guest speaker is Don Derozier, Ph.D., SFO. Dr. Derozier retired from clinical psychology after 37 years service in the Fox Valley. He was a consultant for group homes, foster parents, adoptions agencies and family court. Dr. Derozier is a father and grandfather. He is an adult catechist, amateur Catholic apologist and is a challenging presenter who punctuates his message with humor and common sense.

*"Positive parenting is more of an attitude than a system.
With teenagers, it can focus on management of the context,
options and consequences of behavior."*

Dr. Derozier will discuss practical strategies for loving parent-teen relationships with an emphasis on 'the teenage Jesus'.
