- 5 Liturgy 9:15
- Boys Basketball**
- 10-31 Blue vs. KCMS 10, 11, 12pm
Red @ SJLC 12:30pm

SETON EAGLE NEWS

We pledge to promote Christian values, excellence in education and the growth of the total person.

From the Principal's Chair

Next Wednesday, October 28, is the last day of our first quarter. This is a full day of school. It is also the last day of school before a long weekend, and the night of our Halloween social. Because of that, we have decided to let students come to school in their costumes. Please **keep in mind modesty** when your child dresses for this day. We do not want things off the shoulder, low cut or too short. If your child has a costume that is questionable, please have them put something on underneath. No masks will be allowed and costumes cannot drag on the floor or cover hands or faces. Both of these are a safety issue for the many stairs in this building. No Goth costumes or gender cross-dressing. Students will not be allowed to do face paint or hair at school. This needs to be done at home.

Jumbo Gumbo tickets are going home today with the youngest child in your family. There is an accompanying letter, which explains the details of this all TCCES fundraiser and your obligation to supporting it. Please look over that letter and feel free to call Mr. Sullivan with questions.

Although Meet Me In The Middle was already a month ago, I want to formally thank all those involved in making this an exciting and successful fundraiser for Seton. The entire planning community along with Dave and Jane Voss, and Cindy DeValk from Miron Construction are to be commended for their efforts. The final profit totaled over \$14,000. This money will be used to enhance the technology in our building. Thank you to all who supported this event.

Fifth grade visit day went well. We had 65 students registered to attend. Although there were five absent fifth graders, our halls were certainly full of interested students (and parents last evening) checking out all that we are about. Our Seton 6th and 7th graders did a great job welcoming the 5th graders and being gracious hosts/hostesses, as the younger students shadowed them through some of their morning classes.

Our prayer service next week will be on **Tuesday**. Please remind your students to be in liturgy dress that day. There is no school for your child next Thursday, October 29 or Friday, October 30.

Mrs. Kalous

They will soar as with eagles' wings

Isaiah 40:31

Winter Sports

Fall sports, including cross-country, volleyball and football have finished their seasons. Boy's basketball and girl's cheerleading have begun. Please refer to the student handbook on the eligibility requirements for all sports. This includes maintaining a minimum of a C- (1.67 GPA) average with no failing grades. Grades not up to these criteria will result in restrictions. This will be checked with end of the quarter grades next week.

Sally Foster Pick Up!!

Sally Foster will be ready for pick up TONIGHT, Wed. October 21 from 2 to 6pm. Please make arrangements to pick up at Seton. Any orders that are not picked up, will not be delivered to the other schools until next week. All mistakes need to be in by November 6. See details in your box.

8th Grade Shadow Days at SMC

SMC is hosting Shadow days from 7:40 a.m. - 11:05 a.m. on November 17, 19 and December 1. We will match your student with a current SMC freshman according to common interests (or you may pick a student if your child knows someone). They will then shadow the SMC students to their morning classes to get a feel for what a day as an SMC student feels like. Please contact Jennifer Miller in the Admissions Office at jmiller@tcces.k12.wi.us or 722-7796 x 206 to set your child up today!

Guidance

According to the parent evaluations for student lead conferences; an overwhelming majority of you views this type of conference as having value and being useful in helping your child develop an improvement plan for the year. It is important that we continue to work as a team for the success of every child here at Seton. Please keep in mind that you can meet with any of your child's teachers at anytime during the year if you should see the need to do so.

Looking ahead, SMC is hosting a 7th grade Visit Day on November 10. Students will be bussed to SMC at 8:15 and will return by 11:15. Look for information and permission slips in the coming weeks.

Junior Zephyr Basketball Club

The 5th grade and 7th grade boys and girls teams are still seeking players. Girls should submit registration forms no later than Friday, October 23 and boys no later than Tuesday, December 1.

The JZBC has scheduled 7th and 8th grade girls evaluations/skills/drills at St. Mary Central High School on Monday, October 26 and Wednesday, October 28 from 7-8:30 p.m.

Registration forms, payment and insurance waiver must be turned in to participate.

Coaches applications will be accepted until Monday, October 26 for girls' coaches and Friday, November 13 for boys' coaches. A few openings are still available.

All forms, applications and contact information can be found at www.tcces.org or by using this link: [Junior Zephyr Basketball Club](#)

Improve Seton's technology by
sending your student to the movies!

Remember "Ferris Bueller's Day Off"? Well, it is time for the next generation to enjoy this hilarious adventure on their own day off-- Thursday October 29.

The Fox Cinema in Menasha has been reserved for a Seton-only showing of this movie at 10:30am, so gather your kids and their friends together and purchase some tickets.

The admission charge of \$10 per student includes admission to the movie, free popcorn and soda. The great news is that every penny of your \$10 will go toward the Seton Technology Fund to purchase more SMART boards for the school. Hurry! A limited number of tickets are still available.

SMC Technology and Engineering
Club (TEC) Open House

**When: Tuesday, November 17 (please note this is a change from the TCCES calendar),
Time: 6:30 p.m. to 9:00 p.m.**

Where: SMC TEC building (next to Zephyr field)

Come see the SMC TEC team in action! They are busy preparing their robotics projects and VEX tournament planning. The VEX Robotics competition is a unique varsity type sport for the mind designed to get high school students excited about math, science, technology, and engineering. **All are welcome!**

A little humor to get us through the
flu season. Laughter is the best
medicine!!

Sad news...

Please join us in remembering a great icon of the entertainment community. The Pillsbury Doughboy died yesterday of a yeast infection and trauma complications from repeated pokes in the belly. He was 71.

Doughboy was buried in a lightly greased coffin. Dozens of celebrities turned out to pay their respects, including Mrs. Butterworth, Hungry Jack, The California Raisins, Betty Crocker, the Hostess Twinkies, and Captain Crunch. The grave site was piled high with flours.

Aunt Jemima delivered the eulogy and lovingly described Doughboy as a man who never knew how much he was kneaded. Doughboy rose quickly in show business, but his later life was filled with turnovers. He was not considered a very smart cookie, wasting much of his dough on half-baked schemes. Despite being a little flakey at times, he still was a crusty old man and was a positive roll model for millions.

Doughboy is survived by his wife Play Dough, and three children: John Dough, Jane Dough and Dosey Dough, plus they had one in the oven. He is also survived by his elderly father, Pop Tart. The funeral was held at 3:30 for about 20 minutes.

7th Volleyball Tournament

A big thank you to Beth Brown for running a very successful 7th grade girls volleyball tournament this past weekend at SMC. Also, a big thanks to Terri Bonertz, Mike Mauritz, Jill Ahles, and Patti Houlihan and all the parent volunteers for all their assistance. We cleared a little over a \$1,000.00!
