Red 8th @ St. Joe 12:30pm

SETON EAGLE NEWS

We pledge to promote Christian values, excellence in education and the growth of the total person.

From the Principal's Chair

Although the first quarter officially ends today, please don't expect report cards for a couple of weeks. With the high amount of absenteeism the last two weeks, teachers need time to get students caught up and to finalize all their grades. We have targeted Wednesday, November 11 for report cards to go home. Before that time, you should still be able to access Edline to look at your child's progress. If you have any questions please don't hesitate to call.

This week is National Red Ribbon Week, the nation's oldest and largest drug prevention program in the country. Millions of Americans participate in this program during the last week of October every year. By wearing red ribbons and participating in community anti-drug events, young people pledge to live a drug-free life. Your child was given a red ribbon today in recognition of this important cause. They were also informed of the drug-awareness and prevention programs that Mrs. Whiting will begin with them next week. Please be sure to follow-up with your child at home regarding this topic. Research shows that you are the most effective teacher for your child when it comes to alcohol and other drug awareness and prevention.

Jumbo Gumbo is quickly approaching: November 14 at Waverly Beach! Your family tickets were sent home last week with your youngest child. Admission tickets are \$50.00 and include 3 prize tickets. As a TCCES family, you are encouraged to support this event. Please remember that all profits are split between the schools.

All teachers will be at an in-service this Thursday sponsored by the Diocese of Green Bay. The in-service for us will focus on curriculum design and instruction based on the standards of what we want our students to know and be able to do by the time they graduate from high school. This important topic will be addressed at all levels, K-12.

This Sunday, November 1, our sixth graders will host the IMAJN mass at St. Margaret Mary Church at 5:00 pm. Please consider joining us for this youth centered liturgy.

Don't forget that daylight savings time ends this Sunday, November 1. Be sure to set your clocks back!

Mrs. Kalous

They will soar as with eagles' wings

Isaiah 40:31

S.T.A.R.

As we move into November, our new monthly theme of COMMUNITY takes shape. STAR groups will explore the many communities of which they belong. Of particular importance, we will look at the faith community to which each of us is called. This faith community is exemplified in both home and school as well as in our church. When we show love and compassion, understanding and kindness, we model the values that are a part of our faith community. Please go over this concept with your child and talk about how you show these values at home.

Next week our eighth graders travel to Washington DC for their annual class trip. This trip has traditionally been scheduled for spring, but planning it for this time of year allows teachers to draw on the experience throughout the entire school year when planning lessons and activities. Students will learn much in their time out East. Please keep all our travelers in your prayers for a safe and fun-filled trip.

Easy Money Makers for Seton!

We have several easy ways to raise funds for Seton. You may already know of a couple of them – Box Tops for Education, and Campbell's Soup Labels. (Keep them coming in!) But did you know you can designate Seton to receive cash rebates from Pick 'N Save and Cops through their WE Care Program? Every time you use your Advantage Plus Savers Club Card, a percentage of the total WE Care dollars spent will be given back to Seton and other non-profits. Check with your store to see if you listed Seton on your account.

Office Depot has the 5% Back to School Program. When you buy school supplies throughout the year we can earn credits equal to 5% of your purchases. Our school ID# is 70109505 or mention Seton when you shop.

Remembering the Dead

November 1, All Saints' Day is a Holy Day of Obligation for us as Catholics. It is on this day that the church honors all holy people – known and unknown- who now enjoy the full presence of God. They include martyrs, canonized saints, and people who have churches named for them as well as quiet, humble people who loved God and their neighbor and did what good they could during their life on earth. In the book of Revelation (7:9), St. John tells us that there is a great multitude of saints in heaven and that they come from every nation and race on earth. This day was once called the Feast of All Hallow (or holy ones and the night before was the Eve of All Hallows or Halloween).

November 2, All Souls Day is a day we remember and pray for the saints in waiting. These are the people who must undergo some purification before they are ready to share in the presence of God. In a Maccabees 12:44-45, we learn that we can get them to heaven more quickly by praying for them. Some souls have no one to pray for them. That's why some people make a point to pray for these abandoned souls. Others like to pray for the souls closest to achieving heaven. They enjoy feeling that they have helped to give the greatest gift possible: the full presence of God.

Sally Foster Mistakes

Remember to get your Sally Foster mistakes into the office by Nov. 6. Include your original order form with your corrections!

Cookie Orders Due

Please return your orders on November 2!!
Delivery is set for December 9.

Win \$500 - \$1500 in Tuition!

Jumbo Gumbo is just around the corner! Did you know for every \$100 in sales that is turned in by Friday, November 6, your name will be entered into a drawing for \$500 in TCCES tuition credit. There will be three winners for a chance up to \$1500 in tuition credit. Start selling!!!!

Looking Ahead.....

The week of November 16 – 20 we will be having our annual November food drive. We have designated the food to be donated to our neighbors across the street – Second Portion at St. Thomas Church. We are looking for all non perishable food items along with personal hygiene items.

8th Grade Shadow Days at SMC

SMC is hosting Shadow days from 7:40 a.m. - 11:05 a.m. on November 17, 19 and December 1. We will match your student with a current SMC freshman according to common interests (or you may pick a student if your child knows someone). They will then shadow the SMC students to their morning classes to get a feel for what a day as an SMC student feels like. Please contact Jennifer Miller in the Admissions Office at jmiller@tcces.k12.wi.us or 722-7796 x 206 to set your child up today!

SMC Technology and Engineering Club (TEC) Open House

**When: Tuesday, November 17 (please note this is a change from the TCCES calendar),
Time: 6:30 p.m. to 9:00 p.m.**

Where: SMC TEC building (next to Zephyr field)

Come see the SMC TEC team in action! They are busy preparing their robotics projects and VEX tournament planning. The VEX Robotics competition is a unique varsity type sport for the mind designed to get high school students excited about math, science, technology, and engineering. **All are welcome!**

Zephyr Players Presents....
