SETON EAGLE NEWS

We pledge to promote Christian values, excellence in education and the growth of the total person.

From the Principal's Chair

We had a very lovely Christmas Choir Concert this past Monday. The Seton Choir is one of the largest and best we have had in years. I was proud to sit in the audience and listen to the songs. It sure put me in the Christmas mood. Congratulations to all our gifted musicians. Don't forget our other group of musicians - the band concert is scheduled for Monday, December 21.

Mid-quarter reports are in your yellow envelopes today for those students who may have a grade of D or F in any class. Please be sure to look over those with your child and discuss a plan of action to improve their grades. If your child has no grade reports in the yellow envelope, you should still check on Edline for current grades.

You will also find some Christmas tags and magnets with your child's school picture on them. These are not yours to keep, but rather to purchase should you desire to do so. The cost for the two sheets of pictures is \$20 (or \$12 for one sheet) and should be sent to school in the envelope included with the package. If you do not wish to purchase these Christmas items, please simply return the entire package to school.

Reconciliation was scheduled for yesterday, December 9. Because of the busy schedule for our TCCES priests, it has not been rescheduled for us at Seton. **You are strongly encouraged to participate in this sacrament of forgiveness within your own parishes.** Please check your bulletins for dates and time and try to make it a priority this Advent Season.

We have our Christmas Social schedule for tomorrow, Friday, December 11. Your child can still sign up, but the cost is \$10 and it is too late to order food. There will be Christmas games and prizes. It should be a fun Holiday Party.

Today, December 10, is the first of our three December Buddy visits. Those STAR groups who have buddies at St. Gabriel School will go to see the dress rehearsal of their Christmas program. In the following two weeks, students who have buddies at St. Margaret Mary and St. Mary will also have the opportunity to see their Christmas programs. Students that remain at school will rotate between watching and discussing the movie "The Nativity Story", participating in our annual Geography Bee, making various Christmas Cards, and a short study hall where they can get help from teachers with homework. Be sure to ask your child about their buddy visit this month.
