From the Principal's Chair

I have some GREAT news! As of next Monday, January 18, Ms. Bausom will be back in the office (at least part-time). She was given a work release from her doctor and plans to ease back into being here full-time. Please know that I will continue to work with her as this transition takes place, and will continue to be available to answer your questions and to help with the education and faith formation of your children.

The second quarter ends this Friday, January 15. Students will participate in mini-courses that morning and be dismissed at 11:40. If your child signed up for GeoCaching, Cross Country Skiing or going to the Y, a permission slip was sent home on Monday. Please be sure that it is returned to school. They cannot leave Seton without it. If your child signed up for T'ai Chi, or making Valentines, there are fees, which we would appreciate as soon as possible. Fun with Duct Tape requires each participant to bring his/her own roll of Duct Tape. Should be a fun day for all!

Although the quarter ends this Friday, report cards will not go home until Wednesday, January 27. Teachers will need that time to finish grades and to collect unfinished assignments. Teachers will continue to update Edline with final grades getting posted next Wednesday. Please call if you have any questions.

We will be doing some MAP testing in the next two weeks. We are not testing all students, but rather testing by teacher request. In some cases, testing a particular class can help a teacher plan curriculum. In other cases, testing can help us decide the best course of action for a particular student and his/her learning needs. We also have some new students for which the MAP testing will be helpful. If you have questions about this test, or our procedure for its use, please call the office.

If you missed the State of the School's address, the final meeting is tomorrow night at St. Mary Elementary School, from 6:30-7:30. You can pick up your registration materials at that meeting, and get all your questions about TCCES answered. We hope to see some of you there tomorrow evening.

Note from the Athletic Director....

February 14-21 are the dates set for the 7th grade Girl's Basketball tournament hosted by Seton. The weekend of Feb. 19-22 is TCCES Winter Break. The basketball schedule has not been determined as of yet. Since Seton is hosting, it is our responsibility to take care of the concessions and all other duties. Before the schedule is done, I am requesting that if you are planning on being out of town that you let Barb Funk know ASAP. You can contact her at bfunk@tcces.k12.wi.us.

Any non-basketball parents who are in need of parent volunteer hours and would like to help out at the tournament, may also get in touch with Barb.

If we do not hear from you, it will be your responsibility to find a replacement if you are scheduled.

Thank you, John Fink

Geography Bee

This Thursday during X period, we will have our School Geography Bee. The school winner goes on to take a state test, and could possibly go to Nationals.

Our grade level winners who will participate this Thursday are as follows:

Grade 6: Adelle Sturgell, Melissa Srnka, Matt Schmitz and alternate Robert Engelhard

Grade 7: Jack Mulvey, Noah Griffith, Krista Schmitz and alternate Claudia Rohr

Grade 8 : Greg Greif, Peter Mattio, Kevin Drewa and alternate Andrew Griffin.

Good luck to all!

Hunter Education Class
