SETON EAGLE NEWS

We pledge to promote Christian values, excellence in education and the growth of the total person.

From the Principal's Chair

Report cards are in today's yellow envelopes Report cards were very good overall. Please sign one copy and return it to school tomorrow. The credit for these great reports goes to the students for working hard, parents for checking on student progress, teachers for overseeing work and making sure students are successful by having the two after-school ZAP study halls and giving time to students before, during and after the school day. We also do daily checks of all students' agendas. We will continue our efforts during this final quarter of school and we ask parents to remain an active partner in this process. If we can help in any way, please contact us.

Next Thursday, April 22 is the **National Take Your Son/Daughter to Work Day**. This day is a wonderful opportunity for students to see where and what parents do for their job. I would ask that you pick one year (grade 6, 7, OR 8) to do this activity. If your workplace has special events and/or a special program planned for this day, by all means, take your son or daughter with you to work. If there are no special events planned, please consider putting off this visit until a school vacation day or summer. If your child has visited your workplace in the past year or two, I would also urge you to have your child remain in school on this day.

If your child goes to work with you, he/she will be responsible for all missed class work and homework. He/She should bring a note or you can send an email no later than Wednesday of next week stating that he/she will not be in school that day. We also want him/her to keep a journal of the day's activities (on an hourly basis) that is to be given to Ms. Bausom.

Thank you for your support with this matter.

Ms. Bausom

We have a new theme to go with the new calendar month. April is designated for the theme of Morality. *Anchoring their choices in the mind and heart of Jesus Christ, the members of the TCCES community strive to become His representatives in the local and global community. These choices are guided by an informed conscience.* (Taken from the TCCES calendar, April 2010).

If you have a TCCES calendar, you will notice a scripture reference to this theme as well. STAR activities this month will support and reinforce this theme of morality. This week in particular, the theme will be introduced and students will prepare for their Thursday Buddy Visit to the elementary schools.

Prayer Service

Because of the Buddy Visit this week, our prayer service Thursday will be at 9:40. The focus of the prayer service will be Resurrection and Easter! Remember that the Easter Season continues for 50 days as we look forward to celebrating the Ascension and Pentecost! You are welcome to join us this Thursday for prayer, which will be lead by teachers and staff.

Lenten Collection for Heifer International

Our combined efforts as a school, students and adults, generated a total of \$3,642.26! What a great collection. Please look for a more complete recap in next week's newsletter and thank you all for your support of this very important project!

Lunch Help Needed

With the end of the school year quickly approaching, we seem to be in need of lunch volunteers. Can you consider helping out one time during the month of May? It really is a lot of fun working with our lunch staff - Linda and Linda! This is also a great opportunity to see how lucky we are to have such a great food service program. Call Barb Stinski to be put on May's calendar, 730-8065. Thank you!

Class Pictures Taken

Yesterday we had class pictures taken along with the Spring Pictures. There is an order form in today's envelope if you are interested in a 2009-2010 class picture. These are due on April 21. Spring pictures will arrive in a couple of weeks for you to preview. You may pick any quantity of sheets or return the entire package.
