The TCCES calendar shows a social this Friday. That social was cancelled and last Friday, in it's place, we had a social for 5th and 6th graders and SMC hosted a dance for 7th, 8th, and 9th graders. The movie afternoon for 5th and 6th graders went quite well. Our 6th graders worked hard to make the 5th graders feel welcome. They all seemed to enjoy the movie and had a bit of time to play together.

I stopped by the SMC dance for a short time Friday night with Mrs. Kalas and it was going quite well. I know the students I have had a chance to talk to had a good time. Mr. Batey and Mrs. Miller were pleased with the turn out and the behavior.

As a reminder, there is a dance this Friday night for middle school students at the St. John Parish gym from 6-10 PM. Rock the Flock will provide the music. The cost is \$3.00 from the Seton office and \$5.00 at the door.

STAR groups recently took a survey designed to gauge individual levels of integrity/morality. This survey led to some great discussions about how we are called to respond in a variety of situations including cheating on a test, telling the truth and gossiping. There were certainly some very strong opinions regarding the various situations and when breaking a "rule" might be warranted. These daily dilemmas are a great way to get kids to look at moral decisions they face in their everyday lives.

This week some grade levels are watching a video about "Integrity". This video series highlights ten core virtues that help teens to develop into caring, respectful, responsible people who make choices based on what is right rather than what is easy. Be sure to ask your child about all these valuable lessons from this month's theme.

6th Grade Essay Contest

The sixth graders took part in an essay contest sponsored by the Menasha Senior Center. Students were asked to write about their grandparents or an older friend in honor of Older American's Month (May). Two students Kevin Greif and Maya Zeinert won and will be attending a banquet on May 11 where they will share their essays with the seniors attending. Both essays will be sent to the Wisconsin Association of Senior Center for the state-wide contest.

I would like to send out a HUGE thank you to all of the parents who helped set up on Sunday afternoon, everyone who baked all of the fat free goodies, and all of my volunteers throughout the day yesterday. The highly complemented set up could not have been done without you! I appreciate each one of you so much.

Feeling Blue? It's Time for an Act of Kindness

If life is getting you down, and you're wondering what the point of all the madness is, it might be time for a quick fix. A sure way to change negative feelings is to set your sights on somebody else.

Pick a person and make him/her the recipient of a random act of kindness. Small acts often work wonders. Pay a compliment, offer help to someone struggling with some work, or give an inexpensive gift or treat. You'll lift your own spirits as well as the other person's.
