# SETON EAGLE NEWS

*We pledge to promote Christian values, excellence in education and the growth of the total person.*

## *From the Principal's Chair*

We had a really good evening of jazz music at JAM! this past week. I want to thank all those who donated beverages and deserts and the volunteers who made this event a special evening. A special thank you goes to Barb Funk for coordinating the set up and running of this event and to Janet Planet, John Harmon, Brad and Bonnie Curran, Seton's Jazz Band and the Mohawk Avenue Jazz Band for another night of outstanding music.

Next Monday, May 3, is the first day of the **dress code rules for wearing shorts**. They read as follows:

**Dress Shorts/Capris:** Any color or pattern 2" above the top of the knee or longer. **NO** denim or knit shorts, no sport shorts (nylon).

**Shirts:** Any color or pattern with a **collar**; necklines may not be lower than the base of the throat.

**Sandals:** May be worn in these months without socks. Flip-flops are OK.

Please note that the neckline of shirts must not be lower than the base of the neck. This is the rule for out-of-dress code days, too.

The month of May is always a very busy time. Please check your TCCES calendar for retreat dates, concert dates, Memorial Day parade and special events. All Seton events are in blue ink.

We did move the last social and dance to May 21 to avoid the Memorial Day weekend.

The tennis team could use a few more parent helpers. Please call the office to volunteer.

### S.T.A.R.

We finish this month of STAR discussions for the theme of *Morality*. Groups will continue to explore ethical and moral dilemmas, discuss the "right" thing to do, and wrap up with situations for either role-playing or watching a video.

### Prayer Services and May Crowning

We have two weeks of prayer services coming up. This week, Mr. K and one of his religion classes will lead a prayer service whose theme is "*The Call to Build a Civilization of Love*". Mr. K has invited some Global Outreach students from SMC and Xavier High School to be part of this prayer experience. The High School students will share their faith and experiences giving us a look at Catholics from other parts of the world.

Next Thursday, we will pray the rosary together and celebrate a May Crowning of Mary. Mrs. Ahles and one of her sixth grade religion classes will lead that prayer for us. You are welcome to join us for these two prayer services, which will begin at 9:15.

### Faith FACTOR

The Fox Area Catholic Teen Outreach program is a weeklong service opportunity for youth. It will be held this year at St. Thomas Moore in Appleton, and is open to students in grades 6-12. You must register by June 2, 2010. Please call Mrs. Kalaus for more information.

### St. Elizabeth Ann Seton Award

This is the final notice that **ALL** paper work must be turned in for this prestigious award by this Friday, April 30. The requirements were first explained in November with several reminders since. Because of that, no late packets will be accepted. Interviews are being set up by Mrs. Kalaus once the packets have been turned in. All necessary forms are on our website.

### Fun in the Sun

Fox Valley Catholic Youth Ministers Association sponsors a number of summer events that are open to all youth in grades 6-12 throughout the Fox Valley Catholic Churches and their friends. Activities include a Marian Day, Campfires, various trips to Mt. Olympus, Six Flags and Noah's Ark, a Catholic Youth Expedition to Door County, a trip to Kettle Moraine State park and to a Soup Kitchen, as well as a trip to Little Amerricka in Marshall, WI. Some trips have registration deadlines in May. Please visit the following website for more details, [www.fvcyma.com](http://www.fvcyma.com). You will also find all the liability information and waivers needed for your participation.

### Spring Pictures

Spring pictures are in the envelopes today. You may purchase individual sheets at \$12.00 each. If you do not want them send the package back to school no later than next Friday, May 7<sup>th</sup>.

## *Heifer International Project*

**"We can do no great things, only small things with great love." Mother Teresa**

I would like to extend an enormous thank you to all of those that found it in their hearts to help "Pass on the Gift" through our campaign here at Seton in partnership with the Heifer International Project. Thank you for making this project a success here within our Seton community. What a meaningful act on behalf of impoverished families around the world. By providing Heifer livestock and training, you are sharing the gifts of opportunity and hope to those in greatest need. Your generosity provides hungry, malnourished children and their families a sustainable source of nutrition. Your support gives parents the dignity of providing for their children's health, education, and welfare. Your compassion reaches out to transform lives in positive ways.

Through the extremely generous donations of our Seton community we were able to raise an astounding \$3,568.36! Each STAR group designated the gifts that they would like to purchase with their pledges. In total we were able to "Pass on the Gift" with:

- 1 Sheep;
- 7 Llamas;
- 4 Water Buffalo;
- 5 Goats;
- 14 Flocks of Chicks;
- 2 Flocks of Hope (chicks, geese, and ducks);
- 4 Honeybees;
- 2 Trio of Rabbits, &
- 1 Pig.

With each of these gifts, partner families are required to "Pass on the Gift" of one or more of their animals' offspring and training to another in need. In essence the generosity and kindness given by our community will continually work to end poverty and hunger for generations to come.

Again, Thank you for choosing a gift that will help change our world. ~ Mr. Shackelford
