

## TCCES Photo Release Form

There are several opportunities in the school year for Twin City Catholic Educational System (TCCES) to submit photos of students, their families and/or staff to newspapers and publications or to use images of the students for marketing and recruitment efforts.

TCCES is required by newspaper and magazine publishers (such as for the *Post Crescent*, *Neenah Menasha News Record* or *The Compass*) to include the subjects' names for the photo's caption. However, when TCCES is using the images for marketing purposes, we do not identify the subjects; we just use the image without a caption.

The undersigned acknowledges that he/she has read the foregoing; fully understands the contents; agrees to the terms, without reservation; and is at least eighteen years of age and competent and capable of giving consent. This release shall be binding on the undersigned and his/her heirs, legal representatives, and assigns.
