The focus of this 10th annual soccer camp is to teach elementary and middle school athletes, in a relaxed and positive atmosphere, the individual skills they will need to compete at a higher level. All skill levels from beginner to expert should consider this camp.

Past and present varsity soccer players from St. Mary Central High School staff the camp. The players include defensive specialists as well as leading goal scorers and top midfielders. In the past there has been a 1:5 coaching ratio. Each day begins with warm-up activities and stretching. Camp starts with one vs. one possession and builds from there every day. It will cover passing, receiving, finishing, defensive position and concept. There will also be camp time for potential goalkeeper instruction.

Each player needs to come prepared with shin guards, soccer cleats, flat tennis shoes, water bottle and soccer ball (#4 for grades 4, 5, 6 and #5 for grades 7, 8, 9). Please dress according to the weather—shelter is available if needed. If you have additional questions regarding Soccer Camp, please contact Coach Gary Kruger at 920-729-0958 or krugerengineering@sbcglobal.net.
