

# Kindergarten News

For the week of  
November 7-November 11

- Our letter this week was **Tt**. We met Ms. T who has tall teeth and worked on a turkey project. The turkeys have been a lot of fun for the students, be sure to check them out in the hall next week.
- Our red words this week are **to** and **is**.
- Mrs. Whiting spoke with our class this week about cooperation. Ask them about the chocolate river and the marshmallows.
- The excitement of the winter weather is upon us. In our classroom we are working being able to get ourselves ready for outdoor play. Every day that there is any snow on the ground the children will need boots, snow pants, hats and mittens. Please have them practice getting outdoor gear on and off with minimal assistance.
- The shoe tying challenge begins next week! Once a child learns to tie their own shoes they will get to sign the shoe tie challenge board and pick a prize from the prize box. Please practice at home with your child.
- In math we have been talking about the teen numbers. Practice counting on from ten and writing the teen numbers.
- In dictation this week we wrote our first sentence. Sentences start with a capital letter and end with a period. 😊 You will see how your child did in next week's mail.
- Everyone did a great job with reading groups this week. We will be sending home two books to read with your child every week. Thank you for your continued support with kindergarten guided reading.
- Library is on Tuesday next week. Please return books on Tuesday.

Enjoy the weekend, Mrs. Fairweather
