For the week of

September 6th-September 9th

We really dove into learning this week!

- In math we took a beginning of the year assessment. This assessment will help as we move along in the curriculum to differentiate and meets the needs of each student.
- In writing this week we talked about developing ideas, we will continue to work on this writing trait for the next two weeks. As a class we made a list of things we can write about.
- Some of the books we read this week include; *The Kissing Hand*, *Caps for Sale*, and *It's a Big Beautiful World Out There*.
- Our letter for the week was **Cc**; we met Mr. C with his colossal cap and chomped on some yummy carrots.
- Our red word this week was **my**.
- Mr. Bartz visited our classroom on Thursday; he is a SMM parishioner that volunteers in the classroom twice a week.
- On Friday we had guidance with Mrs. Whiting and Move to the Groove!

Have a fabulous weekend!
