### **This Week**

We have had a super busy week that started off with our fun Halloween celebration. Our class paraded through all of the classrooms in the building. The older students really seemed to enjoy seeing our kids in costume. The letter F was still a main topic.

We read many books about firefighters, fire engines, and fire safety in addition to books about fish. We had many opportunities to work on cutting skills too. A favorite this week was the ghosts and the fire helmets that we cut out. Our field trip to the fire department was a major highlight this week. We saw where the fire fighters slept, ate, watched TV, and worked.

### **Next Week**

We will start working on the letter Gg. We will learn that G can make two different sounds, a hard G sound like in the word gorilla and the soft G sound like in the word giraffe. We will be making both a gorilla and a giraffe this week. Green and gold will be in our future too!

### **More – Day by Day**

*Monday* - Made glitter ghosts, bats in moons, and made pumpkin pizzas for snack

*Tuesday* - Worked on Let's Find Out that was about bears. We learned how some things about bears are true – nonfiction, and other things are pretend - fiction

*Wednesday* – Fun watching the fire fighters zoom down the fire pole! They were fast!

*Thursday* – Made cinnamon puffs for snack. The puffs were like the cinnamon bread used to celebrate All Souls Day

*Friday* – Reviewed fire safety rules and made a thank you card for the fire fighters we visited on Wednesday

### **Thanks to Our Wonderful Parents!**

Many thanks go out to all of the great parent help. Thanks to the moms who helped with our Halloween party and created Halloween gift bags for our kids to take home. Thank you to the moms who spent Wednesday morning walking to the fire department with our students.

Have a super weekend!
