

Mrs. Schlieter's Pre K News

December 16, 2011

This Week

What a busy week we have had!

Present, card, and wrapping paper were made. We started our Kk week with learning about the African American holiday of Kwanzaa. We learned things about two different animals this week, the kangaroo and reindeer.

Fun reindeer hats with big red noses and wiggly eyes were made on Thursday. One day we put together 4 different large floor puzzles. Two Christmas program practices were also part of our week.

More – Day by Day

Monday - Made a Kwanzaa kinara, a holder with the 7 candles of Kwanzaa

Tuesday – Read the book, *Christmas Mice!*

Wednesday – Letter Kk art, a kangaroo with her joey

Thursday- Made reindeer snacks using graham crackers, peanut butter, chocolate chips, and M&Ms

Friday – Wrapped our presents for our family and completed our Christmas cards.

Next Week

Monday will be our Christmas party activity day. We will be making ornaments and special food for reindeer. Tuesday and Thursday will be fun days

full of Christmas activities, music, and books. Wednesday, of course, is our Christmas program. We have also decided to do the book exchange on Wednesday so we can enjoy a Christmas Party on Monday.
