

Pre-Kindergarten Newsletter

January 23-27

- **Catholic School Week kicks off this Sunday with a pancake breakfast in the school cafeteria at 8:00-12:00 with an open house from 10:30-12:00.** All the classrooms are open with teachers available. This is a great opportunity to visit the kindergarten rooms, meet the teachers and learn about the exciting educational curriculum they offer. If you know anyone that is looking or thinking about preschool for the coming year or the near future, please let them know about the open house. Our best marketing tool is your word of mouth to others; so if you're happy with the program please spread the word!

Monday - Students' can wear school logo tops with jeans

Tuesday - It's pajama day! Students' can wear their P.J.'s to school and bring slippers to wear in the classroom. We will be having a surprise guest come and read to us.

Saturday, February 11th - Wines Around The World - This is a fun event for parents to get together to support Catholic education and our school community. Hope to see you there!

-  **Help needed for Valentine projects** -In preparing for our visit to Island Shores Retirement Community on Friday, February 10th, I could use some help in the classroom. We are decorating paper hearts to put on all the residents' doors and frost cookies for a snack to enjoy with them. Listed below are dates, times and activities.
Wednesday, February 1st from 8:15 -9:15 helping students tissue paper and glitter hearts.
Monday, February 6th from 8:15-9:15 help students marble paint and stamp hearts
Wednesday, February 8th from 8:15-9:15 help students frost cookies

These activities would be done during center time so you would only have 4-5 students at a time. If Mondays & Wednesdays don't work out for anybody I could do some on a Tuesday or Thursday. **Please let me know as soon as possible if you are interested.**

We will not be having Book & Breakfast on Wednesday, February the 8th. I decided to postpone it because of all the activities I really need your help with; I didn't want to over extend your willingness to help out. We have 3 field trips and a Valentine's party in the same month so we probably have enough excitement going on for one month! Who said that winter months were boring?

Other Field Trips:

Monday, February 13 - Sammy's Pizza

Friday, February 17 - Oshkosh Opera House to see the performance of The Three Little Pigs

We will be having a Valentine's Party on Tuesday, February 14th.

The children will be exchanging valentine cards on that day.

When preparing them please do not address them to an individual student or certain gender; this is greatly appreciated. Please prepare 16 cards with the intent your child's not giving one to themselves. I encourage you to have your child sign the cards independently

but, start the project enough in advance so they don't become frustrated by writing too many at once.
