## Mission Statement:

St. Mary Elementary School, in collaboration with its parents, educates the "whole child" in a Catholic environment.

**Language Arts:** We spent this week with Ms. U, another LetterLight! With each LetterLight we meet, we are able to build more and more words. We listened to the story, Umbrella, and talked about being able to do things on our own. Each student made their own umbrella for the hallway.

**Math:** We finished chapter 6 this week with a test on 3-D shapes. Wow, your children are amazing. This chapter was fun and challenging and they really worked hard getting to know the names of these shapes.

**Religion: *Commandment 5: You shall not kill.***

This week we went to mass with our 4th grade buddies. If any parents would like to join us at mass please let me know. We attend mass the first Friday of every month.

**Science/Social Studies:** This week we had Mr. Buss in our classroom doing a Cartesian Diver experiment with us. Each one of us will be bringing home our own divers to share with you. Ask your child if they know why and how the diver dives to the bottom. This was very exciting for us and we will be talking about this for sometime.

## Notes from Mrs. Hawley
