

Kindergarten News

Mission Statement:

St. Mary Elementary School, in collaboration with its parents, educates the "whole child" in a Catholic environment.

*** With the weather changing, please make sure to send a warm jacket, hat, and gloves with your child everyday. ***

Language Arts: Our week with Mr. B was spent with beautiful buttons, bears, and bean bags. We listened to the story, Chipmunk Song, and talked about how chipmunks get ready for winter. We will be spending two weeks with our next Letter Person because of the shortened week for Thanksgiving Break.

Math: This week we spent time working on our shapes. We worked on shape recognition and shape formation. We began working on creating patterns with shapes and combining like shapes to create bigger shapes. Next week we will be working on symmetry and recognizing equal parts. We are still practicing writing our numbers correctly.

Religion: *Commandment 3: Remember to keep holy the Lord's Day.* Thank you for helping your child complete the Family Tree project. The kids were so excited to talk about their families. This week we talked about friends and how thankful we are to have friends. We will continue to talk about family and different family traditions, also the importance of thanking those who love us.

Science/Social Studies: This week we talked about many different kinds of animals. We really focused on those animals that hibernate and migrate when the weather gets cold.

Notes from Mrs. Hawley

Next week is a short week so there will be no Newsletter. Have a wonderful Thanksgiving!

November 18, 2011

Important Dates:

November 22nd:

- Library
- Black Monster
