

Kindergarten News

Mission Statement:

St. Mary Elementary School, in collaboration with its parents, educates the "whole child" in a Catholic environment.

Language Arts: This week we met Ms. P after she finished feeding the pigs on the farm. We listened to a story of farm animals called, I Heard Said Bird. The Everyday Words for the week are: **a & on**. The students ended the week by listening to the story, The Patchwork Quilt and created a classroom quilt.

Math: We are still working on forming numbers 0-10 correctly. Please continue to practice writing these numbers at home.

Religion: *Commandment 3: Remember to keep holy the Lord's Day.* November is a month of giving thanks for the special things we have in our lives. This week we talked about being thankful for what we have and how we can do good things for other people. We are starting our "Good Deed Tree" project next week.

Science/Social Studies: This week we celebrated All Saints and All Souls Day. We were introduced to a different culture and how these days are celebrated.
