

Kindergarten News

Mission Statement:

St. Mary Elementary School, in collaboration with its parents, educates the "whole child" in a Catholic environment.

Language Arts: We had a very happy week with Mr. H and his happy hair. We made a class book "My House" and presented it to the class. The Everyday Words this week are: **is** & **there**.

Math: We continue to work on graphing information. The students created several graphs this week including one where we had to graph results of a survey.

Religion: *Commandment 2: We use God's name with love.*

In religion this week we talked about being children of God. Everyone of us bring different qualities and talents to the classroom. Next week we will be talking about our talents and the things that make us all special.

Science/Social Studies: In Science we are continuing our Fall unit and we are really starting to notice the changes in the weather. The afternoon students are starting their third lapbook on Pumpkins. We are very excited to learn about the life cycle of a pumpkin and the many things we use pumpkins for.

Notes from Mrs. Hawley

Mulberry Lane Farm

- Blue field trip t-shirt, jeans, old shoes & an old pillowcase.
- We will be leaving school @ 8:50 and returning @ 12:30

October 14, 2011
