

Kindergarten News

Mission Statement:

St. Mary Elementary School, in collaboration with its parents, educates the "whole child" in a Catholic environment.

We have made it through our first few days of Kindergarten !! Don't be surprised if your child is a little sleepy this weekend. We have been very busy.

September 2, 2011

Language Arts: We spent the past few days learning all of our new routines. We also used stories to discuss some of the different feelings and situations we may be dealing with. After listening to the story, The Kissing Hand, each student made their own Kissing Hand to bring home. We also read The Rainbow Fish, and talked about the things we should be sharing in Kindergarten. Then the afternoon students made their own "Rainbow Fish" for the hallway.

Math: Next week the students will participate in several different activities to review the concepts of alike and different and categorizing skills.

Religion: This week the students were introduced to our school theme for the year "The Ten Commandments" (God's Rules). We also are learning our Morning, Snack and Closing Prayers. On Friday we went to mass with our 4th grade buddies!

Important Dates:
