

Kindergarten News

Mission Statement:

St. Mary Elementary School, in collaboration with its parents, educates the "whole child" in a Catholic environment.

Language Arts: This week we met Mr. M, our first Letter Person. We will be spending two weeks with Mr. M to help the students get accustomed to how the Letter People curriculum works. If you haven't already, you will be seeing the Sound Bags and Take Home books coming home with your child.

Math: The students continue to work on sorting and classifying objects by shape, size, and kind. We sorted students, classroom objects, and even our shoes.

Religion: This week the students were introduced to the Bible as the "Special Holy Book". We began to talk about the Ten Commandments by watching a video on Moses.

Science/Social Studies: This week we have been talking about Apples. The different colors, how they grow, and what we do with apples. Each day we complete an activity to add to our Lapbooks. When we finish our unit on Apples make sure to take a look at their work!

Notes from Mrs. Hawley

We are still missing some Weekly Reader fees. Please send the money to school as soon as possible. Also, if interested, I have enclosed a Scholastic Book Order form that will be due back at school by Friday the 23rd. Please make checks payable to Scholastic Books (**NO Cash Please**).

September 9, 2011
