Welcome to preschool! I am very excited to get to know all of the students and their families over the course of the school year. We will be working on a lot of skills in our time together! Some of them include:

- Learning about the calendar
- Looking at the weather
- Social skills during play time
- Recognizing colors
- Recognizing numbers
- Recognizing shapes
- Recognizing letters of the alphabet

- Fine motor skills (ex. holding a pencil)
- Gross motor skills (ex. Hopping on one foot)
- Singing songs

If you ever have any questions about what we are learning about, please don't hesitate to ask.

I have the schedule posted outside of the classroom.

You may email me at any time with questions. knussbaum@tcces.k12.
