Miss Nussbaum's Classroom News

Star of the Week!

Starting in November, we will be having a Star of the Week. When it is your child's turn to be the Star, I will send home an informational note asking you to send in some pictures of your child and some of your child's favorite things to share with the class! Every student will have a chance to be the Star in the next few months!

Library Field Trip

On Wednesday, November 17, we will be walking to the library for a tour and story time. We welcome as many chaperones as would like to come! We will be leaving around 9:45 and return to school by 10:45. Please watch for permission slips for this field trip in your child's backpack.

Book Orders

If you would like to keep your book order purchases a secret from your child (to be used for gifts), please just let me know and I can put them somewhere for you to pick up so that your child does not see them!

PAC Field Trip

We will be going to the Fox Cities Performing Arts Center on Wednesday November 9, 2011 to see a performance of the classic story Good Night Moon. We do not need any chaperones for this field trip.

November Themes and Curriculum

Our themes for November include My Five Senses, Seasons, and Thanksgiving. Our classroom activities will be based off of these themes.

We will be working on the letters of the alphabet (focusing on E, F, and G), number recognition, color recognition, and shape recognition. We will also be working on learning our phone number, address, and birthday. Please work on this at home with your child. Thank you!
