

November 2010

Dear Junior Zephyrs Supporter,

Last year, with a lot of hard work and determination, the Junior Zephyrs Basketball Club (JZBC) became a reality. Our inaugural year was very successful and we are extremely pleased to announce the addition of 4th grade team offerings for both boys and girls this year. We are looking forward to another great year!

The JZBC is a competitive, tournament-based basketball program for boys and girls grades 4 through 8. It is intended to give young athletes a chance to enhance their skills, develop teamwork and enjoy the game of basketball through a more competitive environment. The focus of the Club is to promote and prepare boys and girls for future participation in the highly successful basketball program at St. Mary Central High School. The Junior Zephyrs Basketball Club is intended for future students and athletes of SMC, however players are not required to attend a TCCES affiliated school to be eligible for participation.

The Club operates as an appointed sub-committee of the TCCES Athletic Committee. It is run by a volunteer Board and is assisted by the coaching staff from the SMC girls and boys basketball programs. The Board and SMC coaching staff will work together to oversee coach selection, coaching philosophy, team practices, and player development consistent with the SMC varsity program.

Again this year, we are seeking financial donations to lower registration fees in order to maximize participation. Registration fees are dedicated to tournament entry fees, uniforms and any related costs associated with the Junior Zephyrs Basketball Club program.

Will you please consider being a part of this positive program by partnering with the Club monetarily? A donation of \$250 will give your company logo a spot on our team's warm-up shirts and a donation of \$100 will put your name on the shirt. Of course, any donation amount is greatly appreciated.

Thank you in advance for supporting the Junior Zephyrs!

Sincerely,

Jim Prosser
